Comment of the choir:

The Choral Society Cantemus experienced in April 2010 an amazing concert tour to Salzburg and Vienna. Thank you, Mr. Buchmann for a perfect organization, which had nothing to be desired and really put all participants satisfied. The selections of hotels the guided tours, the local guides and the experienced concerts - including a visit to the Vienna State Opera - have left a lasting impression. We decided to travel only with your help! (Chorgemeinschaft Cantemus, St Ingbert, Germany)
